Important event information required from client:

Marketing:

Title of Film

Date and time of Screening

Film duration

Film Classification

Website: We need image and blurb/or any marketing assets for the event 1 month before screening. Preferably high-quality/hi-res from a distributor. It takes 3 working days to build the event and link to tickets.

Posters: Please drop posters/flyers for display in our venue to GL Box Office as early as possible. These will be displayed in our on-street box.

Social Media: GL endeavours to include at least one post and no more than 2 on rental screenings if our overall social media schedule permits.

Please note Garter Lane takes no responsibility or liability for inaccurate information or omissions in the publicity content coming from the promoter.

Important Event Set Up information for the client:

Film must be converted to DCP format. Film must be delivered two weeks before screening.
